How to Order a CUSTOM BANNER

1. Order Early –
Place your order at least 2 weeks in advance. If shipping is needed, please allow an additional 1–2 weeks for delivery time. The earlier the better to make sure of availability and allow delivery time.

2. Reserve Date Needed By –
Message me so that I may confirm availability and send you an order form.

3. Make Your Deposit –
A $20 non-refundable deposit is required with the order form. This holds your date and initiates the mockup process.

4. Pick Your Design & Pay –
You will receive 2 sample designs. Once one is selected, the remaining balance, including any delivery fees, is due before painting begins.

5. Pick Up Your Banner or Have It Shipped –
When your special, custom banner is complete, you can schedule a pickup time or will receive a tracking number for shipping.
